About IETE

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. Founded in 1953, The IETE is the National Apex Professional body of Electronics and Telecommunication, Computer and IT Professionals. It serves more than 125,000 members through various 63 Centers, spread all over India and abroad. The Institution provides leadership in Scientific and Technical areas of direct importance to the national development and economy. The Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and notified it as an educational Institution of national eminence. The objectives of IETE focus on advancing electronics technology. The IETE conducts and sponsors technical meetings, conferences, symposia, and exhibitions all over India, publishes technical journals, and provides continuing education/Skill development as well as career advancement opportunities to its members.

About IETE Kolkata Centre

The IETE Kolkata Chapter is one of the prominent regional chapters of IETE, serving professionals and students in West Bengal and neighbouring states. Situated in Kolkata's Electronics Complex at Salt Lake, Sector V. We are at the heart of Bengal's technology ecosystem. The IETE Kolkata Centre regularly organises technical seminars, workshops, symposia, conferences, and expert lectures in collaboration with universities, research institutes, industries, and government bodies. The Centre act as a bridge between academia and industry, facilitating knowledge exchange and professional development. The Centre is also deeply engaged in student development, with active Student Forums in engineering colleges across West Bengal,

encouraging young engineers to participate in technical competitions, projects, and events.

About AIC

The Annual IETE Conference (AIC) is a flagship event of IETE. AIC is an International Convention aimed at fostering technological innovation, research, and knowledge exchange among professionals, academicians, researchers, and students.

The inaugural function of AIC IETE -2026 where Top academicians of National Institutes, Universities, Governing Council members of IETE number of distinguish Fellows, Life time achievement award winners and awardees, Secretary National Security Council of PMO office (who is a member of the Governing Council, IETE), Dignitaries from DRDO, ISRO will also be present along with Vice Chancellors leading Universities across the Country.

Annual Award Ceremony of IETE where more than 45 different awards will be given where most of the awardees are from premier institutes like IITs, NITs, Universities and Central Research and development Institute of India and abroad. Some awardees are coming all the way from the Netherlands, USA and other countries.

This year the event includes fifth International Conference on Network Security and Blockchain Technology (ICNSBT-2026) from where the publication will be done by the Springer Nature in Scopus indexed series. On 25th September, the inaugural program will be organized by the IETE at the Dr. Jaya Debroy Auditorium, RCC Institute of Information Technology (RCCIIT), Kolkata. ICNSBT-2026, organized on the eve of this AIC by The Institution of Electronics and Telecommunication Engineers (IETE), in association with Computer Society of India (CSI), Kolkata Chapter.

Call for participation

In the fast-moving world of ICT, this seminar aims at providing the platform for researchers to share fresh results, call for comments or collaborations, and exchange innovative ideas of the cutting-edge research in present and Network Security and Blockchain Technology. You are cordially invited to submit your recent research work to the AIC-2026.

Publication

Publication will be done by the Springer Nature in Scopus indexed series.

Registration

Participant Category	Indian	Foreigner
Author (General)	₹6,000	\$ 100
Author (CSI/IETE Member)	₹5,500	\$ 100
